

Peeled Shallots

8 oz. Clamshell

Perfectly Peeled

Convenient and ready to use!

You can toss a shallot in just about anything you cook, instantly adding a layer of flavor and refinement with minimal effort. Their flavor is more mild than a regular onion – adding soft, beautiful notes and a bit of sweetness to any dish. Shallots have a melt-in-your-mouth quality, and when cooked, obtain a rich, caramel-like flavor, providing a key component to traditional sauces like Beurre Blanc.
